

# LION

AN ISO 9001:2008 CERTIFIED ORGANISATION

Synthetic High Gloss Enamel formulated for interior and exterior application to give a glossy durable surface. It is easy to apply and has good flow. A combination of economy and quality makes this product popular enamel paint. It is ideally suitable for wood and steel furniture, railings and various household items.

#### Special Features :

High Gloss

Excellent Stain Resistance

Excellent Adhesion

Smooth Finish

High Coverage

#### Direction For Use

Stir well before use.  
The surface to be painted should be clean & dry.  
Protect the surface from dust till the paint dries.  
Always use with dry & clean brush.  
It dries very fast and a second coat may be given after six hours.

#### Application Method

To obtain best results, surfaces to be painted should be thoroughly dry, clean and free from rust, dirt, grease etc. Old loose and flaking paint should be removed completely by scraping or other abrasive means for wooden surfaces, use LION WHITE PRIMER for ferrous surfaces, LION RED LEAD/METAL PRIMER can be used. For aluminium and galvanised iron. Use LION ZINC CHROMATE PRIMER.  
The paint dries very fast and second coat may be given after six hours.

Available in -
